

# Stopping the growth of bacteria

## Augmik-500

Amikacin 500mg

# Augmik-500

Amikacin 500mg

## Indications:

- Meningitis
- Bloodstream infections
- Infections in Sepsis

## Adults and the Elderly:

- Most reliable for serious aerobic gram-ve bacillary infections
- Plays an important role in management of infections caused by Pseudomonas aeruginosa, the commonest cause of mortality in patients with extensive burns.
- Safely combined with cephalosporins.
- Offers greater resistance to inactivation by bacterial enzyme.
